Re: Time Warner ResCom of New York, LLC; Section 63.71 Application;
WC Docket No. 04-229

Dear Ms. Dortch:

Time Warner ResCom of New York, LLC ("Time Warner"), the Applicant in the above referenced matter, hereby submits the following supplemental information pursuant to the request of reviewing staff.

Staff has requested additional information with respect to the financial impact on Time Warner in the event the Commission does not approve the Application. In order to maintain the existing service for one month, or thirty days, following the proposed discontinuance date of July 15, 2004, Time Warner will incur costs of approximately \$105,000.

Staff has also asked the Applicant to provide further details on the number of customers that may be affected by the proposed discontinuance of local telephone service in the Rochester, New York area. As of the morning of July 9, 2004, of the original 3,000 customers on the affected service, 285 customers remain, 92 of whom have elected Time Warner's alternative residential telephone services and, therefore, have pending orders. Together with the

New York Public Service Commission, Time Warner is continuing to work with the remaining 193 customers to assist these customers to make arrangements to either switch their service to another carrier or to select Time Warner's new service before the July 15, 2004 termination deadline.

Please do not hesitate to contact the undersigned with any questions you may have.

Very truly yours,

Meabh Purcell
